Important Notice from the Plumbers and Steamfitters Local 21 Welfare Fund About Your Prescription Drug Coverage and Medicare (Active and Pre-Medicare Retired Participants and Their Eligible Dependents)

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Plumbers and Steamfitters Local 21 Welfare Fund and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining a Medicare drug plan, you should compare your current coverage, including which drugs are covered, their cost, deductibles, co-pays and available pharmacy networks, with the coverage, costs, deductibles, co-pays and pharmacy networks of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage is available to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Plumbers and Steamfitters Local 21 Welfare Fund has determined that the prescription drug coverage offered by the Plumbers and Steamfitters Local 21 Welfare Fund is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

- If you decide to join a Medicare drug plan, your current Fund prescription drug coverage will continue, and the Fund will pay its benefits primary to Medicare.
- If you decide to join a Medicare drug plan *and drop your current Fund prescription drug coverage*, you will lose prescription drug coverage for yourself as well as your dependents. If you do this, you can re-enroll in this plan's prescription drug coverage as permitted by this plan's HIPAA special enrollment rules (in accordance with the Plan's eligibility rules).
- If you decide not to join a Medicare drug plan, your current Fund prescription drug coverage will continue.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should know that if you drop or lose your current coverage with Plumbers and Steamfitters Local 21 Welfare Fund and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
